General Information

The C-47 Manual uses the General Building Manual with a substantial C-47 supplement. The supplement includes excerpts from Title 25. The last section of the C-47 Manual covers the Health and Safety Orders.

The Math Review Lecture covers the math formulas in the first part of the manual. The General Building Lectures cover the topics from the General Building section of the C-47 Manual. The Health and Safety Lecture covers the Health and Safety Orders which is the last chapter of the manual. The General Building Review Questions Lecture covers the General Building Review Questions at the back of the manual.

Please be sure to study all of the practice exams. It is important to read and understand each question and read every word of the explanations. It is necessary to learn the principles behind the question because the State's questions may be worded differently.

The C-47 Online Practice Exams are available by subscription. Students are issued a key-code which the student registers on examcenter.com. There are three different methods of studying on the online practice exams: Non-graded quizzes, flashcards, and exam simulations. Once activated, subscriptions are good for up to 365 days. Extensions may be purchased.
